Tracy K Bio 225 words, 1384 characters

Tracy K Blue Hues of Jazz; Early Jazz, Bluesy Swing and Ragtime

Manitoba's Tracy K is an exceptionally expressive singer able to deliver lines convincingly as well with a soft whisper as a rafter-raising shout. With pointed sincerity she plumbs the emotional depth of the material. A lively and active entertainer with chutzpa (who likes to dance a little) she croons, scats, and growls with rare versatility and is an unexpected harmonica player of the highest order.

Tracy K possesses eight awards for vocals, harmonica, songwriting and performance over her storied decades long career. Four album releases each hit number one on roots radio charts, and brought her a Western Canada Music Award nomination for Blues Artist of the Year. She tours Blues, Jazz and Folk festivals, house concerts and clubs and twice travelled to Memphis to partake in the International Blue Challenge. Tracy K is an alumni of the Toronto Blues Society’s Talent Search, Harmonica Workshop, prestigious Women's Blues Revue and revered Blues Summit.

Tracy K’s forays into jazz range from duo to the most lavish treatment in concert (twice) with the Thunder Bay Symphony Orchestra. Drawing from the dawn of modern music in the Deep South, expect songs from the Billie Holiday collection alongside early jazz and ragtime. Enjoy a memorable experience, as the contagious, positive energy Tracy K exudes from the stage leaves a smile on your face and a song in your heart.
